

Fall Dance Schedule

Very excited to announce that September 12th will be our first day back in the studio!!!! Most of last year's schedule has remained the same. However, there have been some small adjustments to keep age groups together and help with class changes throughout the dance nights. I have also set up a new dance software to help make payments, questions and dance events much easier for everyone. I encourage everyone at this time to go to our website, Capemaydancecompany.com, check out our schedule, set up your parent portal and register for September. If you have any questions or trouble with setting up your account, please contact Miss Destiny 609-675-6727.

★ **Masks:** Dancers **MUST** wear a mask entering the building. Dancers must also wear a mask when using the restrooms and for classroom changes. We have social distance "STARS" on the dance floor for each student to have their own space. Wearing a mask while dancing is up to each parent.

★ **Jackrabbitt:** Jackrabbitt is our **NEW** dance software. I encourage every parent to pay online to limit coming into the studio. We will be able to communicate through this software, order dance shoes, manage upcoming dates, practices, closings ect.

★ **Dance Shoes:** All dance shoes are the same as last year. If your dancer needs new dance shoes, we will fit them at the studio and you can purchase through your jackrabbitt account.

★ **Drop off & Pick Up:** Car line drop-off and pick-up will be mandatory for dancers 8 years and up. Teachers for students 8 years and up will monitor at the door during both drop-off and pick-up. Parents of the younger students must wear a mask when entering the lobby for drop-off and pick-up.

★ **New Students:** Any new students for the fall must contact Miss Destiny to see class & costume availability. Most costumes will be available for our January recital, but **MUST** be ordered by October 1st.

★ **Dance Accounts:** Any dancer that has paid April, May or June Recital Fee, will be credited on their account this fall. Please create your Jack rabbit account and it will be adjusted accordingly. If you still have outstanding payments, please also register on Jackrabbitt, any owed payments will go onto your account. Please take care of these payments so that your dancer can move forward in September.

★ **Costumes:** Costumes may be exchanged for size. October 1st is the deadline to exchange any costume. However, there is a \$5 exchange fee with the costume company.
